### ***City League International***

CLI is a new concept in equestrian showjumping. Its goal is to transform showjumping into a spectator sport by establishing city teams, riders and fans while promoting a healthy environment. CLI raises funds through horse shows and gala events, and proceeds support the Green Gate Fund's endeavors for the prevention, treatment and cure of cancer.

### ***WaveJumpers Mission***

- To promote ShowHunters and ShowJumpers as a competitive team and spectator sport.
- To unify the horse community in our area.
- To encourage team effort.
- To develop spectator and fan support.
- To strive to be the best team.
- To have fun! :)

## ***WaveJumpers - Competitive equestrian ShowJumping team -Hunters & Jumpers- for City League International***
